Celebration OF LIFE

A fitting way to remember a loved one

A celebration of life event is the perfect way to remember a loved one. Our relaxed, warm and intimate surroundings provide the ideal setting for family and friends to say their goodbyes to a loved one.

We know this is a difficult time and never more so than over the past year when restrictions have created so many limitations.

Our professional team have years of experience and are here to help you plan; from flowers to food (including our special afternoon tea) to support with a celebrant should you wish. We will help you create your perfect event fit for the occasion.
